Trips by Month

Trips vs Last Year

Please note: the numbers shown represent requested Trips per month in Avinode, not actual flown movements. Use the stats to get an overview of the seasonality and a sense of the overall demand levels during the last 24 months for the selected Region/Country/State and Aircraft type.

Note, since November 2025, this report has been refined and improved to better represent actual demand in the market for specific aircraft.

Top Departure Airports

Rank	Departure Airport	Trips	One-way % true	Round-trip % true	Multi-leg % true	Trips by Month
1	LFPB - PARIS LE BOURGET, PARIS	9,020	75 %	21 %	5 %
